

MasterCard Automated Billing Updater
Opt-Out Notice

MasterCard requires all financial institutions, who offer credit and debit cards, to participate in the MasterCard Automated Billing Updater (“ABU”). ABU will provide updates to participating merchants who maintain your card information on file, to process your preauthorized payments. Examples of these participating merchants may include subscription services or utility companies.

This service will allow participating merchants to receive your updated card information, when you receive a new card for any reason—for example expired, lost or stolen cards. The Credit Union is providing you the ability to opt-out of ABU should you choose not to participate. To opt-out, please fill in the blanks below. You may drop off to any Suffolk Branch or mail to address below:

Should you choose to opt-out of this service, you will be responsible for providing your new card information to participating merchants. You may incur additional fees from your merchant if you do not provide your updated information in a timely manner.

If you have any questions regarding this service, please contact us at (631) 924-8000.
